Once again MEATH GAA are holding their Annual Golf Classic in Knightsbrook on the 21th June.

They would like to take this opportunity to thank all the clubs who entered teams over the last few years.

Again they have made a big effort to get teams from the business community in Meath to support the classic.

This year and the next few years are very important for Coiste na Mí C.L.G. Our Senior footballers are now in Division 1. Our 2018 minors are Leinster champions and this year's team is going well. Our senior hurlers having been promoted in 2018 have retained their status and have qualified for the knockout stages of the Christy Ring Cup.

The redevelopment of Páirc Tailteann has been granted full planning permission and has been placed number one the GAA list for Government funding. This development will be a big boost to the whole county but we also need some of of their own resources.

They still have some tee times left and while Meath GAA understand the constraints and commitments clubs are under they again seek your assistance.

If our club could put in a team they would be delighted as once again O' Neill's are sponsoring a set of jerseys for the winning club team.

Maybe there is someone connected with oour club who would enter a team or sponsor a tee box or prize?
