

Pitch clean up day fixed for Saturday June 16th

Wednesday, 23 May 2007 09:30

A pitch clean up day will take place at 11am on Saturday June 16th 2007. All adult players from both the mens and ladies clubs will be asked to attend so as to give a dig out in brightening up our facilities.

The main areas that will be focused on will be strimming all round the boundary of the pitch and spreading weedkiller on it to ensure it doesn't reappear, painting all the fence posts around the pitch, painting both the front gate to the grounds as well as the gates accessing the pitch, painting the goalposts and dugout, installing a brand new sign over the dugout, installing new bulbs and fittings into the floodlights as well as other important tasks.

Paint etc will be provided but if paintbrushes could be brought that would be of enormous benefit.

As many players as possible will be asked to make the effort to attend as a couple of hours work will ensure our pitch is in top condition for the remainder of the year.
