

The Moynalvey GFC annual golf classic proved to be a great success when played at Knockanally Golf Club, Co Kildare on Tuesday, June 26th 2007.

The weather held firm and over 40 teams participated in what was a very enjoyable day.

The club would like to thank Heiton Buckley who sponsored the event prizes, Corrib Food Products who sponsored the much needed barbeque food for after the 9th hole, Clodagh Egan, Ailise Smith and Colette Smith who looked after the barbeque and cooked the food, as well as Knockanally Golf Club who hosted the event for us again this year.

The club would particularly like to thank John Collins and Jim McNally for their continued commitment to the club in organising this big fundraiser each year and for making it such a success. Special praise also to the committee of Moynalvey GFC who worked hard to ensure the day ran smoothly.

Finally to the teams that played and all the tee box sponsors we are very grateful and we look forward to your continued support in the future.

The teams who participated on the day were as follows:

- MI Flues
- Ideal Bathrooms
