

The Moynalvey GFC official website celebrates its 2nd birthday this weekend having commenced online at the end of August 2006.

With over 34,250 hits in its first 2 years, this represents an average of almost 47 a day. The single day with the biggest number of visitors of 102 was on 21st April 2008, the day after we lost to Moylagh in the opening round of the 2008 championship!!

Thanks to all who contribute information for the website and we hope it provides a useful and up to date service for all supporters of Moynalvey GFC both home and abroad.
