

A 1600km relay run, Rith 2010, will be taking place all over Ireland for 9 days, as one of the main events of Seachtain na Gaeilge.

It will be coming to Meath on 10 March. Official GAA support has been received and Rith 2010 is asking each club in the county to be fully participative through sponsoring one of the kilometres and encouraging its members to come along and join the run!
