

The annual Moynalvey GFC Dinner Dance took place last Friday night 1st December at the Hamlet Court Hotel, Johnstownbridge.

With over 250 people in attendance, the night was a massive success, with presentations being made to the minor league winning team of 2006 as well as the Junior A championship winning side of 1981.

The player of the year award went to Ciaran Collins whilst presentations were also made to &quot;soon to be departed parishioners&quot; Colm Lawless and Tony & Anne Brennan in recognition of their outstanding contributions to underage football in the parish over the past number of years.

Our special guest for the night Michael Lyster from RTE was warmly welcomed and an excellent night was had by all.

Photos of the night will appear on the website later in the week.
