

Moynalvey GFC is obliged to ensure that all managers/coaches/mentors/administrators/first aiders involved with teams that include any players under the age of 18 understand their personal obligations with respect to the protection of children in the club.

The club is running a Child Protection Course in the GAA Centre on Wednesday March 28th at 7pm sharp.

All underage mentors and individuals involved in the upcoming Feile **MUST attend** this course!!

Attendees who successfully complete this course will be aware of the processes in place to safeguard children in the club and will be aware of their own responsibilities to ensure the safeguards are effective in our club environment.
