

As it is impossible to plan any future Football Championship games until we know more on the progress of the Meath Senior Football team, CCC An Mhí plan to abide with the Fixture Plan released in January until Week Ending 23rd of July. The Following are the different scenarios as we see them.

Should Meath Senior Footballers win Quailifer round 2A on 1st July and again in Round 3A on weekend 8/9th July Meath will play again on weekend of 23rd July. If we have that scenario only Senior and Intermediate games without Senior panelists will be played on Week Ending 23rd July. Should Meath lose either game then W/E 23rd of July will see Football Championship recompense. Meath Junior Footballers will be playing the All Ireland Semi Final on 22nd July.

CCC An Mhí will play Intermediate and Junior A Football Championship games over the weekend 23rd July again in compliance with Planner with players on that panel playing the mid week after. All Grades of Championship football Junior B to Junior D will be played as planner on the weekend 23rd July.

Should Meath progress to play in Football Qualifiers on 23rd of July then the Senior and Intermediate Football Championship affected by the Senior panel will not recommence until at least the weekend of the 13th of August.

CCC An Mhi plan to play Round 4 of Hurling Championship on Week ending 30th July.
