

Support of your club is being sought in relation to the 'Adam Burke' Fundraising Campaign. Adam is twenty one years of age. On July 20th 2016 Adam Burke suffered a devastating stroke following an injury during a GAA football match while playing for his local club Two Mile House, Naas, Co. Kildare. The type of stroke Adam suffered during that game could have resulted in his death but for his incredible fitness and will to survive. The impact of this accident on the pitch a year ago has left Adam with significant life-long challenges. The stroke caused paralysis of his right arm and hand, weakness of his right leg, increased fatigue and crucially has impacted on the area of the brain that controls speech and language. He spent six months in gruelling rehabilitation in Beaumont Hospital and the National Rehabilitation Hospital (NRH) and has made wonderful gains but still has a long way to go. It is estimated that the long term cost of Adam's Rehabilitation will be in excess of €1,000,000. Please see below information on how you can help Adam.

We are requesting donations from all the GAA Clubs in Ireland and internationally to help Adam recover from this serious injury. For individuals to make personal donations there is a Gofundme link at
