

As part of Leinster GAA's TURAS initiative and its ongoing implementation by Games Development Personnel with Coaches in our County, Meath GAA will host an open Talent Academy Coaching evening for all Club, School & Academy coaches in order to facilitate a Coaching Community of Practice for those working with youth players.

The session will begin at 7:30pm on Thursday 21st June in the Meath Centre of Excellence, Dunganny. TURAS recognises that coaching is central to player development and investing in quality, long-term and sustainable coach education will have significant and positive impacts on the progress of our young players.

This is a great opportunity to see a coaching session involving the Meath Minor footballers and other Academy teams, develop learning opportunities, and to share ideas with County and fellow Club Coaches.

Look forward to seeing you there.
