On Monday night 30th July 2018, the "Royal House Draw" was officially launched with details outlined to clubs of how they can benefit from it.

With every passing day we are moving forward with our plans to redevelop Páirc Tailteann and following the granting of Full Planning Permission in the Spring, the decision of you, the Clubs, to agree with a reasonable increase in the Levy from 1/7/2018 and the setting up of the Páirc Tailteann Development Committee following the February County Board meeting we feel our plans for a new look County Grounds are gathering pace.

Recent meetings with Croke Park and Government have given those involved great encouragement to continue to strive to achieve this ambition for the much-needed refurbishment of our fine Old Stadium

As announced at the May County Board Meeting and agreed with Management and Clubs, the County Board has now decided on Three separate House Draw's over the next 15 months.
