

The draws for the club football and hurling championships will take place on Sunday 21st June at Pairc Tailteann, 3pm.

The action will take place on the pitch weather permitting or in the stand close to the press box in the event of rain.

The current focus is on the 2020 football and hurling championships, but the inter-county window after 11th October could be used for other club competitions depending on weather and other fixtures.

No decisions on this will be made until later this year.

The traditional broadcast of the draws on LMFM will be provided and the event will also be live-streamed on many social media
