

Nominations are now open for the 2021 Meath Garda Youth Awards.

Nomination Forms are now available at the public counter of any Garda Station, Meath Crime Prevention Facebook page and Centra.ie

You can drop completed forms into any Garda Station. Any member who takes in a nomination form at the public counter will place it in the designated post box in the files room marked “Meath Garda Youth Awards 2021”

Any person can submit a nomination if they know of a young person that they feel may be worthy of this recognition. It is worth noting that the nominee must be a full-time resident in the Meath Garda Division to be considered by the judges. If any member volunteers or works with any sporting organisation or other youth organisation, they are free to print off the attached poster and nomination form for distribution.
