Moynalvey Boardsmill U-14, despite leading at half time on a score of 2-1 to 0-5 eventually were beaten in this entertaining game in Dunderry.

Dean Quinn loss through injury had a significant impact. Jim Roche and Tadg Cotter tried hard in defence. They were well supported by Liam Boyle in goals. Wesley, Blake and Evan played quite well especially in the first half. Cathal Slevin and Sean Deegan also showed some excellent touches in the first period. Timothy Halton was a live wire for the whole match. Aaron O'Connor also showed great speed up and down the field. This team definitely will play better as the weather improves and the key skills are fine tuned.
